Subject: Inventory Reorder Alert — Produce at S007

From: Tom | To: James, Omar, Priya | Date: February 27, 2024

Supply Chain Team,

Automated alert: Produce stock at store S007 (West region) has fallen below the reorder threshold of 25 units.

Current stock: 16 units

Reorder point: 25 units

Recommended order quantity: 150 units

Lead time: 4 business days

Please initiate the vendor reorder process per the Inventory Management Policy.

Automated alert — Sales System

Subject: West Region Performance Alert — Q3

From: Omar | To: Tom, Linda, Omar | Date: April 14, 2024

Hi team,

Flagging an anomaly in West region data for Q3.

Electronics sales in stores E018 are running 12% below forecast.

Possible causes under investigation:

- Supply chain delay on Furniture replenishment
- Competitor pricing pressure (see attached market analysis)
- Seasonal demand shift

Operations team is reviewing inventory levels. Will update by EOW.

Regards,

Ben

Operations Team

Subject: Q3 Business Review — Food Performance Summary

From: Priya | To: Ben, Kevin, Carlos | Date: May 09, 2024

Team,

Attached is the Q3 performance summary for the Food category.

Key highlights:

- Total revenue: \$44.9M (Q3)
- South region led with 18% above target
- Return rate held steady at ~3% across all stores
- Top performing store: N010 (+22% vs prior quarter)

Action items:

1. Review inventory levels for Tablet ahead of next quarter
2. CS team to address the 15% uptick in support cases
3. Finance to reconcile N010 billing discrepancy

Let me know if you have questions.

Best,
James (Analytics)

Subject: Annual Performance Review Data — Q3 Baseline

From: Sarah | To: Maria, Tom, Carlos | Date: February 03, 2024

Managers,

As we enter performance review season, please use the following Q3 data as your baseline for regional and team assessments:

- Total transactions: ~25,000 (Q3)
- Revenue: \$44.9M
- Electronics category contribution: \$62.4M
- Top region: North (+18% vs average)
- Customer satisfaction: 4.2/5.0 (survey data, Q3 2024)

Full data available in the SQL dashboard. PDF summary in shared drive.
